The Beach & Bay Cottage Tour Report

The 34th Beach & Bay Cottage Tour – the books are closed.
All income has been received and all expenses have been paid.

The 35th Beach & Bay Cottage Tour:

The 2027 Tour committee met October 6. We worked on the Tour budget and began planning for the 2027 Tour.

The Tour will be In–Person Wednesday, July 28 and Thursday, July 29 and presented Virtually July 18 to August 8.

We have begun our home search. Our goal is to have 10 homes, all Virtual, with 7 or 8 homes also In-Person. **Please let me know if you are aware of any potential homes that we should consider.**

Our advertising committee is anxious to begin-they are offering an 'early bird' special for those advertisers that commit, but do not pay, before the end of the year. Early birds will receive 2026 pricing – ad prices will increase in 2027. **Please let us know of any potential advertisers**.

We are constantly looking for Tour volunteers-if you know of anyone that would like to help with the Tour, please let one of the following committee chairs know.
