Meeting of October 28, 2025**

The 33rd Beach & Bay Cottage Tour:

We continue to monitor our mailbox for any end of the year donations. \$106,000.00 was raised for the library!

The 34th Beach & Bay Cottage Tour:

The 2026 Tour committee met October 14. We worked on the Tour budget and began planning for the 2026 Tour.

The Tour will be In-Person Wednesday, July 22 and Thursday, July 23 and presented Virtually July 12 to August 2.

We have begun our home search. Our goal is to have 10 homes, all Virtual, with 7 homes also In-Person. **Please let me know if you are aware of any potential homes that we should consider.**

Our advertising committee is anxious to begin-they are offering an 'early bird' special for those advertisers that commit, but do not pay, before the end of the year. Early birds will receive 2025 pricing – ad prices will increase in 2026. **Please let us know of any potential advertisers.**

We are constantly looking for Tour volunteers-if you know of anyone that would like to help with the Tour, please let one of the following committee chairs know.
