Donations

We have received \$13,075 in donations so far in 2026, including more than \$1,000 in memorial donations during July and August. This total puts us just \$1,925 shy of our budgeted amount for the year.

Book Sales

The July and August book sales were well attended, bringing in \$512 and \$662, respectively. YTD sales are \$2,596, or 74% of budgeted revenue. The new book cart arrived in July and was immediately stocked and put into use.

Other Fundraising

We received a notification from GIANT that FOSCL will be the recipient of funds generated during the month of August from their Community Bag Program. For every reusable shopping bag purchased, FOSCL will receive \$1. We will hear from them in early September how much was raised. I have no idea how we were chosen for this program but we are happy to participate!
