Lead \* Learn \* Connect

Bethany Beach, DE – The Friends of the South Coastal Library (FOSCL) announce an open call for candidates for the 2024 Board of Directors. We are in need of individuals with a finance background as well as graphic design. **The deadline for nominations is May 10th.**

Are you a fan of the library who is looking for a way to connect and serve in our community? Consider FOSCL! The FOSCL Board of Directors consists of local community members who want to make a difference by sharing their talents and insights in support of our excellent library. An all-volunteer organization, Friends members advocate and raise money to support our library, develop meaningful community programs and services, and supplement library resources to strengthen the library user experience.

Have you attended a lecture, film, craft workshop, exercise program, dance lesson or musical presentation at South Coastal library? Those events are offered FREE to patrons because of the support FOSCL provides. In addition to sponsoring children's school and library programs, FOSCL provides the resources to enhance special library book collections; provide access to media collections; make essential technology available to library patrons providing beautiful furnishings for the patio and overall landscaping care.

If you participate in FOSCL's signature fundraising event, Beach & Bay Cottage Tour or the pop up book sales at the library you are already making a difference supporting the South Coastal Library. Take the next step and join the Board of Directors of the Friends of the South Coastal Library.

FOSCL Board candidates with leadership skills, financial management, systems, communications & marketing, and a strong love of libraries are especially encouraged to apply. For more information, please see the FOSCL website: [www.foscl.com](http://www.foscl.com) or reach out by email to [info@foscl.com](mailto:info@foscl.com).

FAQs for potential candidates for the 2024 Board:

- Up to two seats on the Board are available;
- The term of service for those elected begins in September 2024;
- Board members serve a three-year term (2024-27), and a second term is allowed;
- There are approximately 7-9 regular Board meetings each year; individual committees meet as needed.
