

**FOSCL BOARD REPORT**  
**AUGUST 27, 2024**  
**BOOK SALE COMMITTEE**

The August sale generated a total of \$362 in revenue from 23 sales and one \$20 donation from a library patron. The July sale netted \$350 from 38 transactions.

There have been 10 sales held so far this year, generating a total revenue of \$2205. This amount exceeds by \$460 the FY2024 projected revenue of \$1745, and there are still four sales yet to happen.

Recommendations

Routinely, patrons request to pay for purchases with credit cards. If we were able to use a card reader, we would likely see more transactions. If possible, it would be nice to set up the sales in the meeting room (when it is not otherwise in use) to allow a bit more elbow room for browsing.
