

**FOSCL BOARD REPORT**  
**MARCH 26, 2024**  
**BOOK SALE COMMITTEE**

The book sale scheduled for January was cancelled at the request of Library staff due to inclement weather (snow).

The first sale of the year was held on February 10th. A total of 16 sales generated \$187 in revenue. The March 9<sup>th</sup> sale generated \$345 in revenue from a total 24 sales.

The inventory of books is getting low. We are particularly in need of more children's books and cookbooks, both of which are very popular.

The committee has scheduled the monthly sales for the first half of the year on the second Saturday of each month. Those dates are as follows:

- April 13
- May 11
- June 8
